LIEUT. M. H. KNOX FELL FROM PLANE

Mr. Knox was in the U. S. Aviation Corps in San Antonio Texas

This community was shocked at noon on Thursday when it became known that Lieutenant Merton H. Knox, only son of M. J. Knox, proprietor of Knox Toggery on Broadway, had fallen from his airplane during a flight in the Kelly Field, San Antonio, Texas, and was killed. Mr. Knox was at his store when he received a message telling of his son's death. A little later a second message was received saying that the boy was not dead but seriously injured. Late in the afternoon a third dispatch was received from the officer in charge of the aviation corps confirming the first message.

Mr. and Mrs. Knox are heartbroken over the sad news and are unconsoled. The blow almost prostrated the couple.

Lieutenant Knox was born in Siskiyou county, a little over 23 years ago. He came here with his parents several years ago, entering the Lick School of Mechanical Arts well-known school of San Francisco, for a four-year course graduating with honors in 1917 and a short time after, on May 3, 1917 he enlisted in the U. S. aviation corps going direct to Texas for his preliminary training. From there he went to the military school of aeronautics at Urbana, Illinois and after a brilliant course there returned to the Kelly Field at San Antonio for his ground training. As he was commissioned a second lieutenant and only last Monday he was appointed an instructor. The details of his death has not been learned but as he probably made his first flight with a pupil on Thursday he may have had difficulty with the tenderfoot in the air and lost control of the machine. Of course this is only a surmise.

After the accident Lieutenant Knox was taken to the base hospital at Fort San Houston where he passed away a few hours afterwards.

Mr. Knox has telegraphed to have the body sent home at once. The remains will probably arrive here on Tuesday and will be buried with due military honors in Cypress Lawn cemetery. The funeral will take place from the Congregational church of which the deceased was a member for many years. He was also a prominent member of the Christian Endeavor Society. On the day of the funeral all business will be suspended in Redwood City for several hours. It is likely that a band from Camp Fremont will be in attendance. Full military honors will be shown the dead lieutenant.

Lieutenant Merton H. Knox has made the supreme sacrifice, has given his all for his country. His pure young life has been offered up on the altar of freedom. He could do no more. The name of this young hero has been imperishably written on the scroll of honor. He did his duty as a true American. He did not flinch from it but assumed all the responsibilities for his country called for his services. His death shall not be in vain for freedom remains and the curse of Kaiserism is blotted off the earth forever. May the memory of this young hero live long to inspire future generations with that sincere patriotism that fired the heart of the brave young lieutenant.

Mr. Knox and his wife have the deepest sympathy of the community in their sad bereavement.

MARRIED-SINGLE MEN BALL
GAME POSTPONED ONE WEEK
Owing to the death of Lieutenant Merton Knox, the baseball game that was to have been played here tomorrow between the married and single men of Redwood for the benefit of the Red Cross has been postponed until the following Sunday, August 18.

FUNERAL OF PETER MCKAY
The funeral of the late Peter McKay was held from the lodge hall of Redwood City Lodge, F. and A. M. on Thursday afternoon. The beautiful ceremony of the Masonic ritual was read. A large number of persons were present to pay their last respects to the beloved dead. The interment was in Cypress Lawn cemetery.

Mr. McKay was the superintendent of the John Hortsman Chemical Company for the past twelve years. He was universally liked by all. He passed away at Adler's Sanitarium on Tuesday last. He was born in Scotland 55 years ago. Mr. McKay is survived by seven children. The following acted as pall bearers: P. P. Chamberlain, John Gill, L. E. Adams, A. McFarland, Kenneth Murray and James Skinner.

REDWOOD CITY SCHOOLS

TO RE-OPEN MONDAY

Superintendent Principal A. E. Monteth has announced that the Redwood City schools will re-open Monday, August 12th. The Sequoia Union-High School will open a week later as most of the students are engaged in picking fruit.

APPOINTED YEOMANETTE

Miss Marie McAuliffe has been appointed a yeomanette in the Naval Reserve in San Francisco and began her duties yesterday. She will become a commutator. Miss McAuliffe is a recent graduate of the State Normal school at San Jose, is a clever and beautiful young girl. She is the fourth member of the McAuliffe family to join the service. Two of the boys are in France, the oldest, Eugene, is a lieutenant in the engineer corps and the other boy is also a member of the engineer corps. The other son is in the naval reserve. There is only one boy left and he is anxious to join some department of the service. Such intense patriotism is to be admired and certainly Mr. and Mrs. Joseph McAuliffe are to be congratulated for making this great sacrifice for the country and for freedom.

PROF. HINNMAN IN CHARGE OF IMPORTANT POSITION

Professor H. A. Hinnman, for a number of years the assistant master at Reid's school at Belmont, left on Wednesday for New York to assume charge of the science department of the Cornell Military Academy of New York City. This is one of the largest military schools in the country. Mr. Hinnman was formerly secretary of the Pulgas Mosquito board and resigned some time ago to give all his attention to his work at Reid's school. The professor is a profound scholar, a thorough gentleman and an educator of national reputation. Mr. and Mrs. Hinnman will motor to the east in their big touring car.

ADDITIONAL MENLO ITEMS

The ladies having the coming bazaar in charge met yesterday to organize and map out a line of work. The ladies are very enthusiastic about the bazaar being certain of its success. Articles of value will be on sale. The ladies are busily engaged in sewing and preparing many useful household goods to be offered to the public at moderate prices.

A street carnival has come to town. The proprietors have leased the rear of the O'Keefe property facing on Oak Grove avenue. Ferris wheels, Merry-go-round and concessions of all kinds are present for the pleasure of all. The promoters expect to remain here all summer.

J. J. BULLOCK HOME AFTER CANVASS OF THE COUNTY

Joseph J. Bullock returned yesterday from a canvass of the county. Everywhere he was greeted by the voters pledging him their support. From the encouragement he received he feels certain that he will be elected district attorney on August 27. Mr. Bullock is a splendid voter, he knows every inch of the county, is acquainted with almost every voter and owing to his long residence on the peninsula is familiar with the wants of the people and if elected will be in a position to administer the affairs of the district attorney's office wisely efficiently and to the advantage of his constituents.

That Mr. Bullock is a clever criminal lawyer is admitted by all and even by those who are opposed to his candidacy. He has a keen legal mind, is a splendid orator and a convincing talker. All these qualifications he will bring to the district attorney's office to make it second to none in the state for efficiency. Mr. Bullock is making a careful, clean and earnest canvass and is willing to submit his candidacy to the people.

ARCHBISHOP HANNA PURCHASES SCHOOL

The Reid Properties at Belmont Passes into The Hands of Catholic Church

Archbishop E. J. Hanna of the diocese of San Francisco has purchased the Reid school property at Belmont for Catholic educational purposes and will open it on about September 15 as a preparatory school for boys. An able corps of educators will be employed to make the well-known educational institution one of the best in the state.

Reid's school was founded by Professor W. T. Reid and his wife in 1888 just after Mr. Reid had retired from the presidency of the University of California. In 1903 Hopkins academy of Oakland, the Congregational school of Northern California, was merged with the Reid's and for a short time the institution was conducted as a denominational school. Hopkins hall was erected and the plant enlarged. In 1905 Mr. Reid purchased the interest of the Congregational church for \$50,000 and thereafter conducted it as his individual property.

The property consists of 26 acres of land nicely located in the hills back of Belmont and numerous large buildings capable of accommodating 300 pupils. The exact figures of the deal are not known but it is said the sum of \$100,000 was paid for the school property.

Since the death of Mrs. Reid two years ago Mr. Reid's interest in the institution waned. When the school closed last May he retired leaving it to be managed by a corps of his teachers and it was to have opened on September first. Mr. Reid went east to visit his son W. T. Reid Jr., a prominent broker of Boston and was not returned to the coast.

The new owner will doubtless make many improvements on the property. It promises to become one of the foremost educational institutions of California.

LETTER FROM KING GEORGE

During the week Mrs. J. Kearse of this city received an autograph letter from King George of England to her grandson, Alexander Gomez who was at Camp Lewis at the time the letter was sent. He is now in France. The letter is as follows:

"Soldiers of the United States, the people of the British Isles welcome you on your way to take your stand beside the armies of many nations now fighting in the Old World the great battle for human freedom.

"The Allies will go on new heart and spirit in your company. I wish that I could shake the hand of each one of you and bid you God speed on your mission.

GEORGE R. I.

April, 1918."

PETITION FOR FAMILY ALLOWANCE OF \$150

Charlotte M. Helse through her attorney, E. F. Fitzpatrick, has petitioned the superior court for a family allowance of \$150 to date from the death of E. F. Helse. The petition will be heard on August 15. The estate is appraised at \$22,836.04 and has only an indebtedness of \$3000. Judge Buck on Thursday made an order permitting Mrs. Helse to dispose of the grocery store belonging to the deceased. The stock of merchandise is to be disposed of by Mrs. Helse.

LEG AMPUTATED BELOW THE KNEE

B. D. Weeks Victim of Hardening of Arteries, Is well Known in this County

B. D. Weeks, the well-known La Honda rancher and capitalist, had his left leg amputated below the knee on Thursday afternoon at the Peninsula hospital. Dr. Herman Wilson of San Francisco performed the operation. Mr. Weeks suffered the loss of his right limb several months ago. Mr. Weeks has been suffering much pain of late and the operation was necessary owing to the hardening of the arteries in the leg. Gasgrene had set in on Wednesday making the operation imperative.

Mr. Weeks is one of the best known citizens of the county. He came to this section as a boy. He is the owner of the well-known Weeks ranch near La Honda consisting of 800 acres of land. Owing to his advanced age the loss of his legs is most unfortunate. He has the sympathy of everyone in his sad plight.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Redwood City as Seen Through Incidents Gathered Here and There

Floyd Granger is here from Camp Cody, New Mexico, on an eleven-day furlough on a visit to his relatives. Young Granger is connected with the quartermaster's department. He expects to soon be sent to the front. He says the heat at Camp Cody is almost unbearable.

John Barg has sold his property in Menlo Oaks, better known as the Coleman tract, to Frank K. Towne, cashier of the First National Bank.

Kendall Towne, the young son of Frank K. Towne, killed a three-spoke deer near La Honda on Tuesday last. The deer weighed 150 pounds. Young Towne was a member of hunting party composed of Charles Cavalli, Bartley brothers and David Flynn. Mr. Cavalli also shot a two-spoke buck. Deer are quite numerous in and about La Honda.

Mr. Charles Luscher's Del Monte restaurant is gaining in popularity every day, and the merchants' noon lunch, with wine or beer is the best ever served in this city.

Mr. and Mrs. T. O. Heydenfeldt received a letter from their son, Roderick, during the week stating that he had arrived safely in France and would soon be at the front. Young Heydenfeldt is attached to Battery "D" Sixty-Second Artillery, Coast Corps, American Expeditionary Forces. He is a graduate of the local high school and has been in the army for over a year.

Dr. Sara E. Wise of San Francisco will speak at the Forum Baptist church, Sunday evening, on "Race Betterment." Dr. Wise was for 20 years a practicing physician in San Francisco, giving up her practice to enter the lecture field as an expert on physical and moral character building. Parents and young people are especially urged to hear this lecture.

Sequoia Union High School reopens for the fall term on Monday, August 19. There will be an increased attendance for the semester. Mr. McCrea is now busy enrolling the new pupils.

Superintendent of Schools Roy W. Cloud accompanied by his son, Noble, visited the schools of Pescadero and La Honda during the week. All the schools of the coast side have reopened for the fall term.

California was well represented at the recent opening in Washington, D. C., of Griffith's great war drama, "Hearts of the World." Near the reserved space in which the President and Mrs. Wilson were seated were parties headed by Senators Phelan and Johnson, while many Californians were seen in various parts of the audience.

MAYOR ROLPH MAKING A TOUR OF THE STATE

After a highly successful tour of Southern California, during which he spoke to as high as 10,000 people in one day, James Rolph, candidate for governor, is motoring through the San Joaquin Valley this week. Stops are being made at all the principal points and it is planned to extend the trip into Northern California, including the Sacramento Valley and Mendocino, Sonoma and Napa counties. Many men prominent in the affairs of the State are joining the Rolph-for-Governor forces. Joseph J. Tynan, head of the great Union Iron Works, which has just astonished the shipping world by turning out a 12,000-ton vessel in twenty-three days—a record—and the man whom Charles M. Schwab calls "the greatest shipbuilder in the world," has declared himself unequivocally for Rolph for governor. "I am in favor of Jas. Rolph," said Tynan, "because he is a constructive business man, accustomed to manage large affairs successfully, and can give the State an efficient, economical business administration."

Joseph A. Moore, vice-president and general manager of the Moore Ship Building company, and another of the big shipbuilders of the west, has also declared for Rolph. In a published statement Moore says: "I am enthusiastically in favor of James Rolph's candidacy for governor. His clean, progressive and constructive administration as Mayor of San Francisco is well known to the history of any American city and clearly indicates the character of administration which he will give as governor of California. He enjoys the respect and confidence of all classes."

BILLIONS FOR DEFENSE

When, something like a hundred years ago, the Bay of Algiers grew so high handed that he scared all God-fearing people off the Mediterranean, he suggested, in his gentlemanly piratical manner, that the United States of America might as well save itself a whole lot of trouble and make him a cash present. Whereupon one Charles Pickens, rising in Congress, declared: "Millions for defense, but not one cent for tribute."

That slight difficulty with the Bey looks like a joke now, although Stephen Decatur wrote a rather memorable little chapter into American naval history before the laugh was turned on the Bey.

Today, in our fight against a more surpassing pirate, our slogan is exactly the same—with the alterations of a single letter.

Five and a half billions for armament, twelve billions for the Army, eight billions for the next Liberty Loan, twenty-two billions of bonds issued or authorized, nearly fourteen billions spent in our first year of war. Some day, when the whole itemized account is laid on the Kaiser's desk—he may find a meager crumb of comfort in reflecting what a lot it cost to lick him. But lick him it will.

DR. THOMPSON IS SURE WINNER

The voters of the Fifth Township are figuring how much the majority of Dr. C. V. Thompson, the candidate for supervisor, will be. They are certain of his election, but want the majority to be overwhelming. All desire to have him kept in office so that they may have some good roads. The doctor deserves well at the hands of his constituents for he has given them a splendid administration. The voters of the township may say: "Well done thou good and faithful servant, we will retain you in office."

A vote for Thomas J. Lennon is a vote to place an honest, able and untiring worker on the state supreme court.

The politicians are all headed for the coast. Better canvass the big precincts on this side before going over.

James V. Neuman the popular candidate for supervisor, is certain of reelection. It is simply a case of how much his majority will be.

Clean politics count after all. The candidate who makes a clean fight will secure results and the fellow who slings mud will wallow in it.

Frank L. Eskward will be returned to the assembly by a startling vote. His opponent Mr. Bauer, will not know that he is in the race when the votes are counted.

The voters of the fifth township are going to re-elect Dr. C. V. Thompson supervisor. He has made a good supervisor and the people of the section know it and are going to keep him in office.

James Rolph is going to sweep San Mateo county for governor. He was instrumental in locating Camp Fremont in the county and the people are going to show their appreciation by giving him a big vote.

Congressman E. A. Hayes is a good campaigner and notwithstanding his opposition he will receive a splendid vote in San Mateo county. He is tried and true and still retains the confidence of the people.

The happiest men at the court house are Superintendent of schools, Roy W. Cloud and A. McWeeney, the genial tax collector. They have no opponents. It wouldn't make much difference, however, for they could defeat any candidate put against them.

Clarence S. Fay, wealthy clubman of San Mateo, has filed his answer to the divorce suit begun some time ago by his wife, Alice M. Fay. "Too much mother-in-law" is the cause of the disturbance in the Fay family according to the allegations of the answer. Fay says his wife's mother came to live with them shortly after their marriage. He constantly remonstrated with his wife about her mother-in-law but to no avail. He says his mother-in-law has been a constant source of trouble in the family. He also complains of extravagance on the part of his wife.
